"Express yourself" as with all sports..."You can't touch this!"
"From a Distance" there was no "Mission Impossible". Always a "Sweet Escape" in 'SNOW' Patrol and "Hawaii Five O" Surf conditions!

"Yesterday", the "sweet escape" was "Music in my ears"! "Loosing my religion" and a shot of "Tequila" made "You Spin Me" right round baby right round.

Like a "007" mystery I left.

"An achy breaky heart" you may have. No worries...as I felt your "tears in heaven". Try to "LIVE" and let die...

Just like "seasons into the sun"; "I will always remember you". Today I am in "the arms of an angel." A true "Spirit in the Sky!" "I will always love you", "Sail away" as you all are "The wind beneath my wings".
